

# Viborg-Guildford Joint Pilgrimage

"Vocation, congregation and clergy identity in 2023"

## September 11-14, 2023

### Background

The link between Viborg Diocese in Denmark and Guildford Diocese in England has been growing for several years. We have much to share with each other - and learn from one another!

Now we invite a group of pastors from the two

dioceses on a joint pilgrimage in Denmark.

We start at the historical site of Jelling and end at Viborg Cathedral. During the pilgrimage we will have time to get to know each

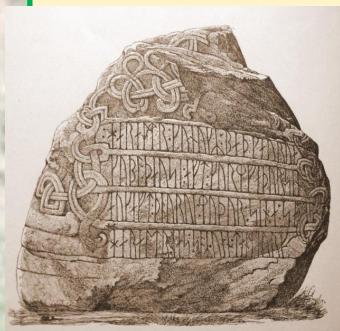

other better and share with each other.

### Practical information

Pastors from England will arrive on plane and will be picked up at Billund Airport. Martin Booth coordinates the English travellers.

All expenses (except flight from England) will be covered by Viborg Diocese - including food, accomodation in pilgrim houses and transportation in Denmark.

We will be walking approximately 20-25 km per day. Luggage will be transported by car. More detailed information will be send to the participants.
