

# INSPIRATION EVENING

## Meet your Eastern European neighbor!

**October 24, 2019 at 5:00 p.m. to 8:30 p.m.**

**Bjerringbro Church Center, Nørregade 33, 8850 Bjerringbro**

Eastern Europeans from different countries form a large immigrant group in many communities, but contact is often weak between them and the Danish population. We therefore arrange this evening of inspiration to find out how the national church, associations and workplaces can jointly contribute to a better contact between Danes and Eastern Europeans. Everyone is welcome - and it's free to participate, but registration necessary.

Registration on October 15<sup>th</sup> latest to [pfn@km.dk](mailto:pfn@km.dk)
